

Catalogs can have contact information added to the catalog header to let the viewer get in touch with the individuals or organization that manages that catalog.

Catalog Contacts

Contact Information

Add information about an individual to appear in the header.

<input type="text" value="* Add First Name"/>	<input type="text" value="Add Optional Hyperlink Name"/>
<input type="text" value="* Add Last Name"/>	<input type="text" value="Add Contact Phone"/>
<input type="text" value="Add Email Address"/>	<input type="text" value="Add Company Website"/>

Social Media Links

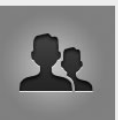

Enter hyperlinks to LinkedIn, Twitter or Facebook that appear in the header contact.

<input type="checkbox"/> LinkedIn <input type="text" value="http://www.linkedin.com/username"/>	<input type="checkbox"/> Facebook <input type="text" value="http://www.facebook.com/username"/>
<input checked="" type="checkbox"/> Twitter <input type="text" value="http://twitter.com/username"/>	

Contact Profile

Add a picture and description of an individual contact that is displayed when an icon is clicked.

 <input type="button" value="Select File"/>	<div data-bbox="1200 1082 1786 1149"><p>Rich text editor toolbar with icons for bold, italic, underline, link, unlink, list, and text color.</p></div> <p data-bbox="1200 1178 1786 1278">Add an optional bio up to 250 characters.</p>
